Brussels, 24 January 1979.

Amendments to the
Proposal for a
multiannual research programme in the
field of climatology (Indirect action -
1979-83)

(submitted by the Commission to the Council
pursuant to the second paragraph of Article 149 of the EEC Treaty)

COM(79) 7 final.

COMMUNICATION TO THE COUNCIL

The Commission, applying article 149, 2nd paragraph of the Treaty establishing the European Economic Community, modifies as follows its proposal, submitted to Council on 18 September 1978, for a decision adopting a multiannual research programme for the European Economic Community in the field of climatology (indirect action, 1979-1983), on the basis of the resolution adopted by the European Parliament on 12 December 1978 :

Article 2

This article to read as follows :

"The upper limit of expenditure commitment necessary for the implementation of this programme is estimated at 8 million European units of account, as defined in Article 10 of the Financial Regulation of 21 December 1977, and the number of staff is set at three. These figures are of an indicative nature only."

Article 4

This article to read as follows :

"During the second year, the programme shall be reviewed; this review may result in a revision of the programme in accordance with the appropriate procedures after the Advisory Committee on Programme Management and the European Parliament have been consulted. The European Parliament shall be informed of the results of that review."
